

stos_tablica::get_rozmiar

benchmark::algorytm

main

```
graph RL; main --> benchmark::algorytm; benchmark::algorytm --> stos_tablica::get_rozmiar;
```

The diagram illustrates a call stack with three frames. The rightmost frame is labeled 'main'. An arrow points from 'main' to the middle frame, labeled 'benchmark::algorytm'. Another arrow points from 'benchmark::algorytm' to the leftmost frame, labeled 'stos_tablica::get_rozmiar'. The leftmost frame has a gray background, while the other two are white.
